

Fall Term 2018 begins Oct. 2.

**Enroll now &
get started on your career
as a professional pilot!**

American Winds is the only college in the U.S. solely devoted to aviation.

THREE opportunities for YOU:

- 1) Earn our Associate Degree of Applied Science in Aeronautics.
May be completed in as little as 1 year!*
- 2) Flight Training Affiliate for Liberty University School of Aeronautics. Earn a Bachelor of Science in Aviation in as little as two years.* Take Liberty's online classes, but **fly locally** at American Winds.
- 3) Enroll in one of our 13 FAA-approved flight courses (non-degreed).

For more information on the degree programs,
earning pilot certification or other aviation-related opportunities,
call 330-733-2500 or email Admissions@TeachMeToFly.com.

Akron Fulton Int'l. Airport 1600 Triplett Blvd., Suite 400 Akron, OH 44306
330-733-2500 AmericanWinds.edu

**Dependent on factors such as type of aircraft, how frequently you fly, your academic progress and pilot proficiency, your ability to pass the required exams and factors such as weather.*
